Open with mission statement

Introductions

Last Week on the Harbor- what should 2pm group be? (Ideas given last week)

Polling / Voting

Outdoor Wellness Group 7

Co-dependency Group (put somewhere that works for meridian)

Step-Up Group (volunteering) 10

Resume Building 4

Indoor Activities 12

Members want(Suggestions):

- Coloring
- Card games
- Matt's Xbox
- Madden tournaments
- Need more cohesion for resources (bulletin board or binder for resources) "resource group"?

"START- name of the stimulant group mentioned last week"

Wins:

We figured out resources are very important to members and they want a way to compile all available resources (maybe in a binder?) possibly a resource group

Problems:

Meridian voted for the 2pm group slot (they leave here at one...voting on something they won't be participating in)
